

TINGEWICK AND DISTRICT NEWS

ISSUE 359 - January 2025

Your FREE Magazine

I'd like to wish all of the contributors, advertisers and readers of The Tingewick & District News a very Happy, Healthy and Prosperous New Year.

I had some people enquiring about the Parish Council Minutes and in this issue we have a catch up of the Parish Council minutes from October and November - there wasn't a meeting in December so we're all caught up now!

We also have a list of all of the Historical Society meetings for 2025 - there's some really interesting topics so make sure you add them to your diary - see page 4 for details.

We also have a reminder that membership to the Horticultural society is free and comes with some great discounts at local garden centres/nurseries - see page 5 for details.

The Horticultural Society is also looking for some new committee members and as they've just celebrated their centenary there isn't a better time to join!

Finally, I've created a list of useful contact numbers that contains the details of clubs and societies in the village, Buckingham and Buckinghamshire council contact details, emergency services, charities and more.

This list will also be added to the website and updated regularly and if you think that there is something I've missed please contact me via the [form on the website](#).

Thank you, and once again I hope you have a Happy and Healthy New Year

Tingewick Recreation Ground

For those of you who have been wondering why progress has been so slow with the building of new changing rooms, here is an update.

Having obtained the necessary permissions, work commenced on refurbishing the existing building in Spring '23. When building control demanded deeper footings, this uncovered an unmarked medium pressure gas main & work was immediately ceased while gas board officials were consulted. When Southern Gas eventually attended, (after several cancelled appointments) they demanded removal of all structures within 7 days but later, after negotiations, agreed that the existing base could remain, provided that all the rest of the building was removed.

They also conceded that the requirement for a 3 Meter wayleave could be reduced to 1 Meter subject to certain conditions.

Owing to the line of the gas main, we were forced to do a complete re-design of the building. This meant going back to architects, who have recently completed a new design, which is currently being putting out to tender.

We very much hope to commence work again early next year.

CHRISTMAS TREE LIGHTING AND CAROLS

On Sunday 1st December we held a short carol service and lighting our Christmas Trees. It was wonderful to see the church full of people, singing carols and enjoying mulled wine and mince pies. Thank you to everyone who joined us, and a huge thank you to Carmel, David, Lewis and Steph Partridge, who donated the 10 beautiful Christmas trees that have made the church look such a picture.

Crafty Church now takes place on the 4th Sunday of the month. The next three sessions will be on 26th January, 23rd February and 23rd March from 2.30pm to 4.00pm. Cllr Maxwell
Cllr Stutchbury, Buckinghamshire Councilor

The Parish Council has received the resignation of Councillor Lightfoot, Chairperson, from the Parish Council.

The Parish Council expressed its thanks to Cllr Lightfoot for her many years of hard work and dedication to the village and the Parish Council.

143. Appointment of Chairperson

It was proposed that Cllr Hornsey be appointed as Chairman.

Proposed: Cllr Pearson Seconded: Cllr Newman Agreed

Upon the appointment of Cllr Hornsey to the chair, the position of Vice Chairperson became vacant. It was proposed that Cllr Newman be appointed as Vice Chairperson.

Proposed: Cllr Hornsey Seconded: Cllr Pearson Agreed

144. Declarations of Interest

No declarations of interest.

Open Forum

Red Lion

Micheal Geelan and Debbie Bloomfield addressed the meeting regarding the purchase of the Red Lion as community based pub. A public meeting has been held and a survey conducted of the residents. A conditional offer has been made to the brewery which has been provisionally accepted. A legal entity is being formed to convert shares into equity and it is hoped that community members will buy shares.

The Parish Council was asked to assist with;

i Registration of the Red Lion as an Asset of Community Value – this will be considered at Item 153 on the agenda.

ii Provision of seed funding – It was agreed that the Parish Council will consider the legal position as to their ability to provide funding under s137 and the matter will added as an agenda item to be discussed further at the next meeting.

Relocation of speed sign

This is a matter that Buckinghamshire Council would need to address.

The current MVAS no longer functioning and is something that the Parish Council is considering.

Development at Barton Road

Concern was raised at the way the proposed development is being referred to, it is felt that it is misleading that flood alleviation leads over proposed development, and at the Parish Council's liaison with the land agents.

It is disputed that the meeting with the Land Agents in January 2024 was a consultation.

The Parish Council clarified that it has been working on flood alleviation measures for some three years and it was considered that two balancing ponds would be the most appropriate preventative solution. The cost of this was however prohibitive and it was noted that the proposed development included proposals for balancing ponds in their proposed scheme, hence the terminology. Regarding liaison with the Land Agents, the Parish Council advised them that they needed to arrange a meeting with the village to present their proposals, which they did.

It was noted that there has been some misinformation circulating regarding the Parish Council's position. For clarity:

NO PLANNING APPLICATION HAS BEEN MADE TO BUCKINGHAMSHIRE COUNCIL IN RESPECT OF THE LAND.

THE PARISH COUNCIL HAS FORMED NO VIEW ON THE PROPOSED DEVELOPMENT

Notification of Parish Council Meeting

There was concern that the Parish Council's meetings are not being publicised. It was noted that the Parish Council prints the minutes with the dates of the next meeting and they are added to the notice board. The minutes are also added to Tingewick News.

It was agreed that the date of the meetings will be added to 'Tingewick Life'

145. To approve minutes of the meeting held on 25.09.24

It was proposed that the minutes be approved as a true and accurate record.

Proposed: Cllr Pearson Seconded: Cllr Hornsey Approved

146. Matters arising for information and reports only

Item 134 – Recreation Ground – Cllr Maxwell arranged a litter pick.

Item 139 – Cllr Maxwell has undertaken remedial works on the toilet block at the recreation field.

147. Buckinghamshire Councillors' Reports

Cllr Stutchbury provided a written report in his absence which was circulated prior to the meeting.

Cllr Fealey provided an oral report.

- a. Pension Credits – Encouraged all residents that are eligible in the village to register and claim.
- b. Salt Bins – The Parish Council was advised to check their bins and to report any that require filling on 'Fix My Street'.
- c. Buckinghamshire Council has been given £2.4 million to support vulnerable people during the winter. If residents require support they should contact 'Helping Hands'. Cllr Fealey and Cllr Cornell will also assist if required. It was acknowledged that some in need may not have access to the internet, support can be accessed via telephone.
- d. Energy Doctor – support offered to houses that have a poor insulation rating.

- e. Flooding – Funding has been obtained by Buckinghamshire Council which will include measures in Tingewick. Flood prevention plans are being drawn up to be implemented.

Questions:

1. Concern raised that armco has been installed in various locations that seem excessive, yet some potholes have not been repaired. Cllr Fealey will raise this with Highways
2. It was noted that Little Tingewick is not referred to in the flood alleviation measures but does suffer flooding. Cllr Fealey will look into this.
3. Cllr Fealey advised that he has had involvement in purchasing a local pub and is available to provide some advice should it be required.
4. Cllr Fealey has raised the issue of the misleading diversion signs and the redundant signs that have not been collected after work has been completed.

Cllr Cornell

- a. Buckinghamshire Council is still looking for foster carers.
- b. The street signs have been reported for repair.
- c. Cllr Cornell assured the meeting that the lights at the pinch point are being considered as a priority given the dark nights.

148. Planning

- a. 24/02076/APP-TINGEWICK Court Farm, Sandpit Hill, Tingewick. Demolition of the stable block and change use of land to on the erection of a single storey side/rear extension to the main dwelling. **No Objections**
- b. 24/02939/APP-TINGEWICK Fairview, Little Tingewick. Application for removal of existing structure and erection of oak framed carport. **No Objection**
- c. 23/01709/APP-TINGEWICK Grove Hill Farm Woods, Buckingham Road, Tingewick. Application for the erection of a new dwelling, together with incidental outbuildings (comprising garden store, lambing shed, machinery store and log and equipment store), and other associated development. **It was noted that this was considered by the Parish Council on the 28.06.23 when it was opposed due to excessive development of a rural site and the access to and from the site has limited vision. The Parish Council again considered it on 28.08.24 and opposed the application on the same basis. It would appear that no further proposals have been submitted which would change the Parish Council's position and as such it is Opposed on the same basis, this being that it is excessive development of a rural site and the access to and from the site has limited vision.**

149. Accounts

See Appendix for details of Transactions requiring approval and Budget report.

- a. It was proposed that the Transaction Report be accepted.
Proposed: Cllr Newman Seconded: Cllr Pearson Approved

- b. Zurich have offered a premium of £1,926.76
- c. Aviva, via Clear Councils, have offered a premium of £1,338. It is noted that this is the more competitive quotation and offers the cover that is required.

This policy requires the Christmas tree lights to be installed by an electrician

This policy also requires that the playgrounds are inspected weekly.

170 Devolved Functions

Buckinghamshire Council has offered a four-year devolved function contract; the current contract is annual. Discussion as to whether a one-year contract or a four-year contract would be more cost effective for the Parish Council

THE TRAVEL DIRECTORS

Joanne Scurr & Kelly White are the Travel Directors, your local travel experts

We are based in Oxfordshire and Buckinghamshire and have between us more than 60 years of Travel Industry experience. We have worked a leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. This means our experience and training helps guide and advise you on your holiday plans.

Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service.

We can offer you everything from Luxury Long Haul, Worldwide Escorted Tours, Sporting Events & Golfing Holidays, City Breaks, Cruise, Weddings, from the Americas, Europe right across to the Far East and Down Under to Australia

We are fully ABTA bonded and ATOL protected meaning your money is 100% safe

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
