TINGEWICK AND DISTRICT NEWS

ISSUE 360 - February 2025

Your FREE Magazine

And just like that we're in February!

In this month's issue we have a lot of news from the Horticultural Society - they're certainly being busy in their 100th year!

There's also a change of talk for the Historical Society on the 5th of February and the new speaker has presentation on something of a local flavour! You can find out more about that on page 4.

The Village Arms "pop up pub" now has some new regular dates so check out page 3 for details and keep and eye on the Village Diary to know when it's going to take place.

On page 10 we have some news about what our MP, Callum Anderson, has been up to. You can follow him on Facebook for more up-to-date (and more political) information.

And, while the snowdrops are slowly starting to spring forth around the village, its various footpaths and the woods, there's an exciting event at Cottisford Church - which you might recognise from the BBC TV Series "Lark Rise To Candleford" - See page 13 for details.

Finally, to wrap up the bumper events this month (amongst others), there's a special series of events planned from the 10th to the 16th of March to commemorate "The Great Fire of Buckingham" - something I hadn't heard anything about until recently so it might well be worth a look if you're interested in the history of our local town - see page 12 for details.

If you have an event that you want to share, please email it to editor@tingewicknews.co.uk

WINTER SERVICES

As much as we love holding our services in our beautiful church, the cost of heating it during the church during the winter months is colossal. Even with the heating on the church is never very warm, as those who attend regularly will know! We need to spend a substantial amount of money this year on repairs to the church tower, so saving money on heating is key. With this in mind, we have decided to trial some of our services in the Village Hall.

We would love you to join us at 11.00am on 16th February and 16th March for our services, which will be followed by refreshments. The services are open to everyone so please do come along.

CRAFTY CHURCH

Crafty Church now takes place on the 4th Sunday of the month. The next three sessions will be on 23^{rd} February, 23^{rd} March and 27^{th} April from 2.30pm to 4.00pm. Sunday afternoon may not be the best time. Please come and tell me that or ring me if you feel we should change it. (Revd Paula – 01280 701631)

This is for the whole benefice and beyond – taking place in Tingewick Church because we have lots of space, lots and lots of craft supplies, a toilet and a little kitchen – perfect!

We have a monthly theme, but this is just a suggestion. You can make other things too. If you have ideas, please come and share them.

CHURCH OPENING

During the winter months our lovely church is open at weekends from 10am to 5pm, for quiet reflection and private prayer, or just for a wander around the church and churchyard.

FOOD BANK

The kindness of villagers continues to amaze us. Our boxes are still in the church porch and all donations of non-perishable goods are always extremely welcome. Please help us to help those around us who rely on this valuable resource. Every donation really does help local families.

TOO EARLY TO THINK ABOUT SUMMER?

The Tingewick and Water Stratford Horticultural Society Summer Show is to take place on

Sunday 20th July 2025 2 P.M. - 4 P.M.

at Tingewick Village Hall and Roundwood School so please

SAVE THIS DATE

The Summer Show is our main event, and we have decided to hold this earlier in the year, rather than Bank holiday Saturday, so that the Show does not clash with the summer holidays. This has given us an opportunity to change our Show Schedule, and include some very new and exciting classes, both for adults and children.

The Schedule will be available to all in early April.

A Happy New Year from Callum Anderson MP

I know we are a decent way through January, but I'd still like to wish a happy new year to every resident in Tingewick. After a quiet Christmas with family, I am now back in Westminster during the week voting on national issues. I feel rested and ready to represent you in the House of Commons, and closer to home I am working hard on our local priorities right here in Buckingham and Bletchley. In fact, a January highlight was joining Tingewick Parish Council on a dark Friday night to discuss how we can take forward local issues.

Looking back, I managed to pack a lot in just before Christmas. I was really proud to advocate for our local communities by supporting tougher measures for water executives if they fail to clean up our rivers, through campaigning for accessible library provision and visiting and championing our brilliant local businesses.

Looking ahead to the rest of the year, I am excited to get about and meet many more of you in the months to come. I've already chatted with East West rail about the economic opportunities it will bring to the local area, voted to tighten children's safeguarding measures, and campaigned for increased NHS provision locally.

There's lots done but a lot more to do – and if there is anything I can help with, <u>do not hesitate to get in touch</u>. After all, I am here to serve *you*.
