The Silver Fox Model Railway Club

I suspect most people in Tingewick have not heard of the Silverfox Model Railway Club. Its friendly members come from many areas around Milton Keynes and its surrounding villages and towns including Tingewick and Buckingham.

We have a dedicated clubhouse in Wolverton and meet on Tuesday evenings between 6:30 to 9pm to run our locos on the club railway layouts, exchange ideas and learn from each other.

For those members that have more time, Wednesday and Thursday mornings see our groups meet to improve, repair and modify our exhibition layouts, or carry out work on the clubhouse.

The club has N, 00 and O Gauge layouts plus a circular test track room for checking out your locos. It also has a wide selection of club locos and rolling stock for any member to use.

Our members have a wide range of abilities within railway modelling, for example making scenery, laying tracks, painting, wiring and electronics. They also have many other interests beyond our club. This makes for a very diverse mix of characters and a great resource for new members to tap into.

As a club, we put on a large exhibition each year to showcase the hobby and to raise funds. In 2024, at Oakgrove School in Milton Keynes, we welcomed over 500 people to our exhibition which featured over 30 model railway layouts and traders. If you search YouTube with “Silverfox Exhibition 2024” you will find a couple of videos provided by regular YouTubers.

If you like the idea of railway modelling, maybe resurrecting a past hobby or looking to start a new interest, please do get in touch with us.

New members are always welcome, and we invite you to come along for a free, no obligation visit to see how railway modelling technology has changed in recent times; you will be amazed!

In the first instance contact us here

Email: chairman@silverfoxdcc.co.uk or secretary@silverfoxdcc.co.uk to arrange a visit.

WINTER SERVICES

As much as we love holding our services in our beautiful church, the cost of heating it during the winter months is colossal. Even with the heating on the church is never very warm, as those who attend regularly will know! We need to spend a substantial amount of money this year on repairs to the church tower and the replacement of our organ, so saving money on heating is key. With this in mind, we decided to hold our 3rd Sunday services in the Village Hall. Both January and February have been very successful, with everyone appreciating the warmth!

We would love you to join us at 11.00am on 16th March for our service at 11.00am, which will be followed by refreshments. The services are open to everyone so please do come along.

CRAFTY CHURCH

Crafty Church now takes place on the 4th Sunday of the month. The next three sessions will be on 23rd March, 27th April and 25th May from 2.30pm to 4.00pm. Sunday afternoon may not be the best time. Please come and tell me that or ring me if you feel we should change it. (Revd Paula – 01280 701631)

This is for the whole benefice and beyond – taking place in Tingewick Church because we have lots of space, lots and lots of craft supplies, a toilet and a little kitchen – perfect!

We have a monthly theme, but this is just a suggestion. You can make other things too. If you have ideas, please come and share them.

MIDWEEK SPOKEN HOLY COMMUNION

Our midweek Communion service takes place on the 2nd Wednesday of every month at 10am.
The dates for the next three months are 12th March, 9th April and 14th May.

CHURCH OPENING

During the winter months our lovely church is open at weekends from 10am to 5pm, for quiet reflection and private prayer, or just for a wander around the church and churchyard. However, once we begin British Summertime on 30th March, the church will be open daily.

PUDDING CLUB – 26TH APRIL 2025

Anyone who joined us for our Pudding Club in October will know what a successful evening it was. Everyone enjoyed a wide selection of puddings, plus a raffle, all whilst raising vital funds for our lovely church. We already have the village hall booked for a second Pudding Club in April, so if you missed out last time or would like to join us again, keep an eye out for ticket information on our social media, Tingewick Life and posters and flyers around the village.

FOOD BANK

The kindness of villagers continues to amaze us. Our boxes are still in the church porch and all donations of non-perishable goods are always extremely welcome. Please help us to help those around us who rely on this valuable resource. Every donation really does help local families.

An Update From Callum Anderson

Hello!

As I am writing this piece for the Tingewick newsletter, I am sat in my constituency office - which is a rare midweek treat. It's February recess, which means that Parliament is on a break, and I get to focus on the best part of the job – meeting local people and listening to how we can make local lives better.

Buckingham and Bletchley is a big constituency, and it's always a bit of a balance to make sure I get across all of the rural and urban areas of our patch. This week's focus has been getting out and about in the villages I represent.

I've spent the day at Tudor Farm and Harper Hill Farm to hear perspectives on national agricultural policy, as well as how HS2 works are affecting our farmland. In addition, I'm speaking with staff from the Thames Valley Police to gain a greater understanding of what resources they need to tackle rural crime, and I am meeting various parish councils to receive an update on their flood alleviation schemes.

I value being available and visible to my constituents wherever they live - and that I will take those views back to Westminster with me as I fight for our interests there.

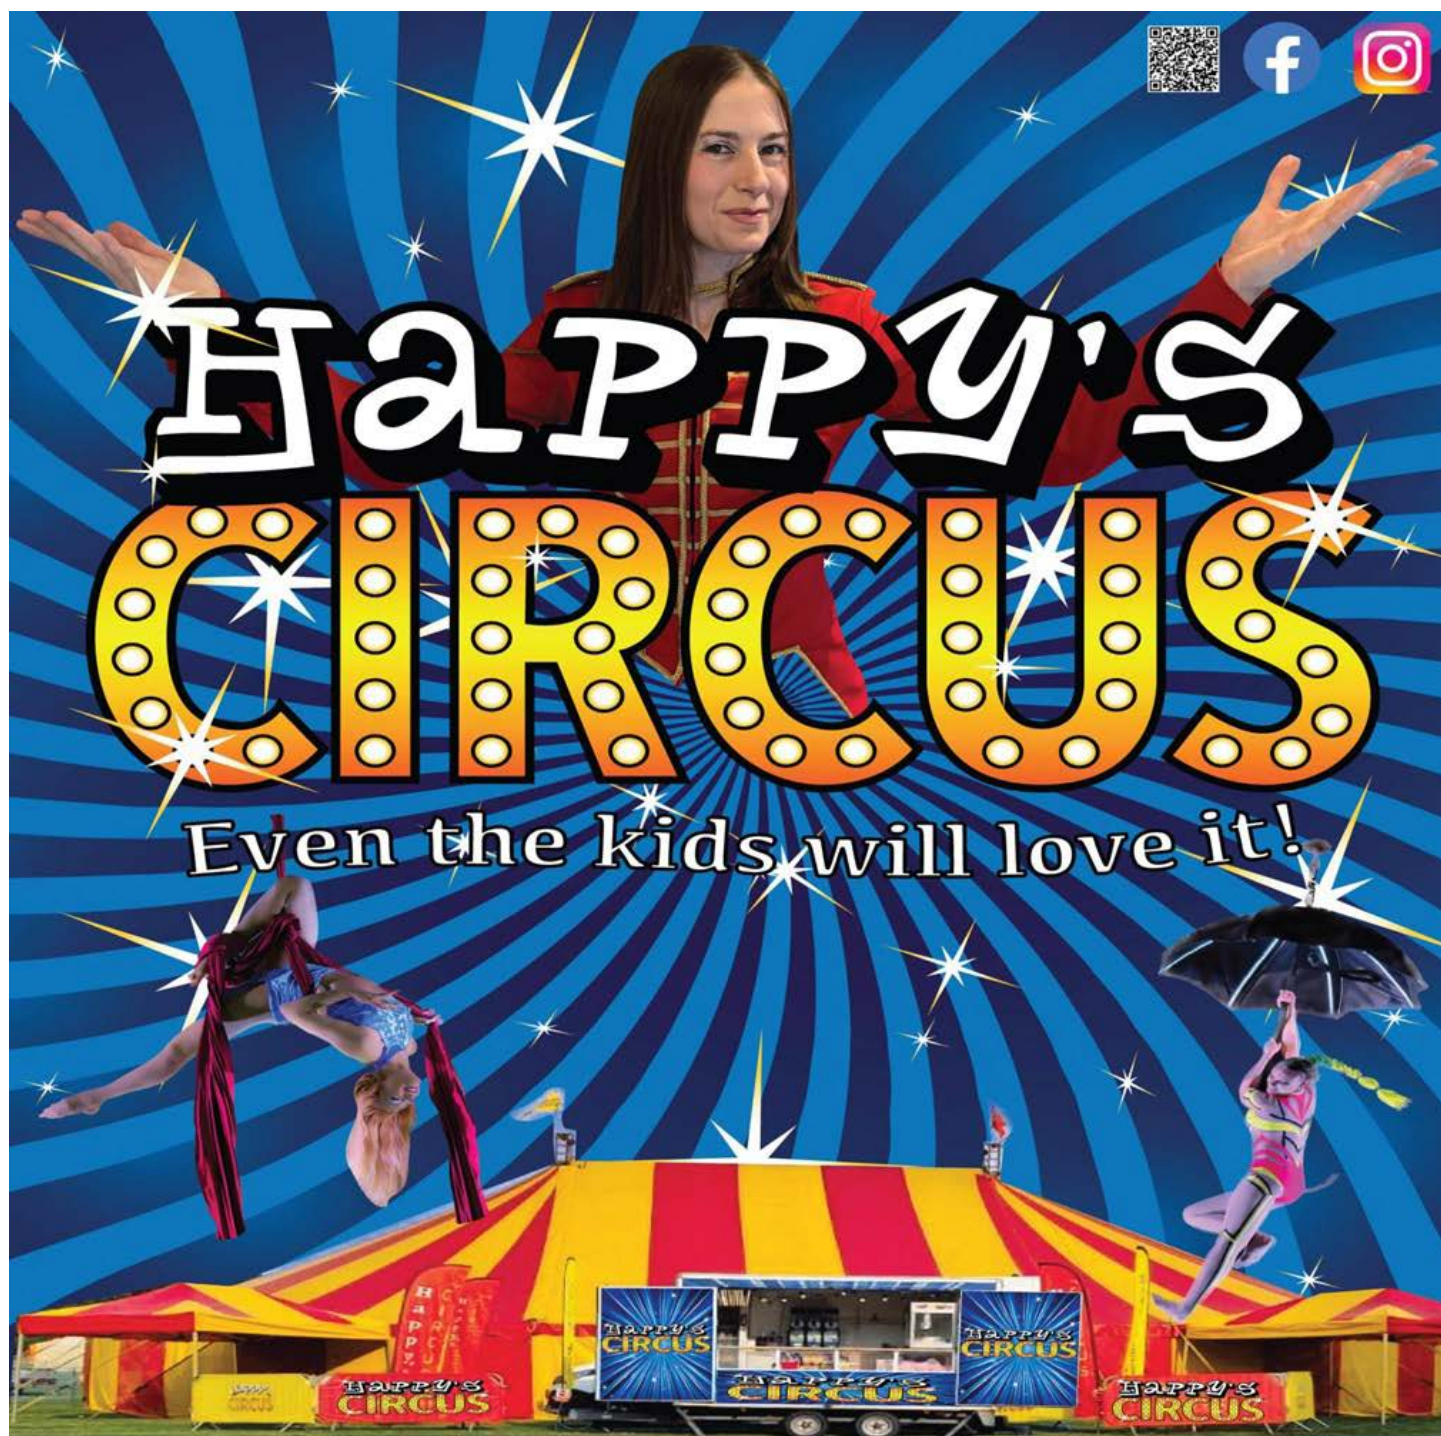

Speaking of Westminster, I'm proud to have voted for pieces of legislation that will directly make local people's lives better. Since the new year, I have voted in favour of the Water (Special Measures) Bill to clean up our rivers and streams, the Border Security and Asylum Bill to crack down on people-smuggling gangs, and the Armed Forces Commissioner Bill to create an independent commissioner to scrutinise how our Government treats our service personnel.

This is just the beginning. It will take time, but things are getting better. I am sure everyone in Tingewick agrees with me that the recent news of an extra two million NHS appointments added since last July is very welcomed indeed.

If there is anything I can help you with, please don't hesitate to get in touch. Above all else, I am here to serve you. You can follow me on social media too to find out what I am up to in real time.

BUYING OUR PUB! The Red Lion, Little Tingewick

NOTES FROM PUBLIC MEETING

Finmere Village Hall, Monday 17th February 7.30pm

APOLOGIES (31) PRESENT (55)

LEADING Michael Geelan (MG), Andy Plumbly (AP)

WELCOME

MG thanked and welcomed those attending and outlined briefly the extent of activity since the initial public meeting in August 2024

- over 1K emails,
- getting to grips with the workings of a Community Business Society,
- visiting other community-owned pubs to research various operating models,
- drafting and reworking many times the elements of a proposed business plan,
- and familiarising with the language of banks, surveyors and solicitors.

MG outlined the timeline of negotiations with Fullers/Fleurets (estate agent), the nomination of Asset of Community Value (ACV) status for the pub, and communication with the developer whose offer was briefly accepted in preference to that of the Red Lion Community Group (RLCG).

PRESENTATION

AP presented a summary of the Business Plan and Share Offer (slides attached) before taking questions.

Q&A

The majority of questions asked are answered in the Business Plan. Discussion centred around the following issues:

Fundraising & upfront costs

This starts now! March 31st has been set as the provisional closing date for the initial share offer. Consideration may be given to a loan to bridge a small funding gap should the need arise. Should the fundraising fall significantly short of the target, initial costs of around £10k (surveyor & solicitor fees etc) would be shared proportionally between investors.

Refurbishment costs & survey

Until the survey is completed there has to be an element of estimation but figures for the repair of the thatch have been quoted. A full structural survey, with a request to look closely at the issue of damp, is currently scheduled for March 10th. Any reordering of the internal space will be carefully considered.

Tenant

The pub would be managed by a tenant not the committee! Industry expertise is key in the success of the pub and, while the management committee will ensure that the needs of the community are fulfilled in the heads of terms (the key areas of the contract with the tenant), the tenant will be responsible for running the business. Assistance with recruitment of a suitable tenant has been offered by the head of a large hospitality group.

Attaining and sustaining footfall numbers

It will be tough! The community will need to support the pub by going, spreading word and bringing visitors. The tenant will have a responsibility for marketing the business via social media and other routes. And the management committee will need to work with the tenant to create an attractive offering (drink, food, atmosphere) and maximise on marketing opportunities. Mention was made of various social groups to which it would appeal, including cyclists, walkers, HS2 workers etc.

Provision of food and drink

Ultimately the nature of food and drink provision will be the responsibility of the tenant. An initial offering of a limited but high quality lunch menu, and evening food provided through a variety of food vans is suggested. The cost of hiring a chef and upgrading the kitchen is probably prohibitive initially. The selection of drinks (beers and wines) will be the tenant's.

John McLaughlin, representative of the local branch of CAMRA, confirmed that this model is widely and successfully used by other community/independent pubs.

Other local pubs

The Queen's Head @ Chackmore was cited as a successful model from which to learn.

The Royal Oak @ Tingewick has been given ACV status but no community bid has been put forward. The view is that it is unlikely to ever reopen as a pub.

Publicity

Lack of awareness of the campaign and the meeting specifically was raised – not everyone is on Facebook. Additional routes for publicity are being explored (press – online and printed, local radio, leaflet drop in Finmere, Tingewick and surrounding villages, as well as use of village noticeboards, village halls etc.

There is a comprehensive question and answer section within the Business Plan but additional questions can be addressed to Michael Geelan, Andy Plumbly, Nigel Morrison or Debbie Bloomfield.

Action: Cllr Rennie, Cllr Hornsey, Cllr Pearson

Devolved Services

Cllr Rennie has made enquiries with CGM (current contractor). The Parish Council has been advised that it can enter into a contract for the devolved services four years on the basis that in year 1 there will be no cost increase and in years 2, 3 and 4 the increase would be fixed at 4% per year. Alternatively, there could be an annual contract that would increase at RPI which can be between 2% and 10%.

It was proposed that the Parish Council enter into a 4 year contract with no rise in year one and a 4% rise thereafter as opposed to RPI to provide for certainty.

Proposed: Cllr Newman Seconded: Cllr Hornsey Approved

Footpaths, Footways, Highways and Street Furniture-Cllr Maxwell

Anglian Water will be making repairs to Main Street in March and have requested a closure of Main Street for three days.

The outstanding list of repairs is shorter than it was, however, the ones older than one year will be re reported.

Concern raised that some have been closed on the system as repaired, when they haven't been. They will be re reported.

The pond committee will be meeting 23.01.25 and will consider the information board and the moles.

Insurance-Cllr Pearson

All in order.

11. The Red Lion and The Royal Oak

The Parish Council's nominations for the Red Lion and The Royal Oak to be registered as Assets of Community Value (ACV) were accepted by Buckinghamshire Council and they have accordingly been registered.

The Red Lion – An intention to sell has been lodged by the owner and the Red Lion Community Group have submitted their intention to bid for it.

The Royal Oak – An intention to sell has been registered by the owner. This means that any community group that would wish to purchase the property can express their interest but must do so and complete the paperwork, with 6 weeks of 10th January 2025. Cllr Hornsey has notified the village via Facebook. Time is limited to establish a group and issue an intention to bid. A group would need to have the skill and expertise to formulate the bid and then to arrange its running/management.

The Parish Council has investigated funding, and it could obtain funding, but it would be by way of a large loan and a separate company would need to be formed. The Parish Councilors do not feel that they have the necessary skill or experience to do this, and they question the financial viability of such a venture, that would expose the Parish Council should a loan be obtained. The Parish Council will support any community group that wishes to bid.

12. Tree on the Triangle

A resident has offered to contribute to a tree on the Triangle. Cllr Hornsey has made enquiries as to a suitable tree. To purchase the tree, plant it and erect a suitable barrier will be in the region of £500. Cllr Hornsey will liaise with the resident, and it was agreed that the Parish Council will meet the balance.

Action: Cllr Hornsey

- b. Tingewick Midsummer Fete 21.06.25 at 1.00pm – Callum Anderson MP will be asked if he will open the fete.

Action: Clerk

THE TRAVEL DIRECTORS

Joanne Scurr & Kelly White are the Travel Directors, your local travel experts

We are based in Oxfordshire and Buckinghamshire and have between us more than 60 years of Travel Industry experience. We have worked a leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. This means our experience and training helps guide and advise you on your holiday plans.

Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service.

We can offer you everything from Luxury Long Haul, Worldwide Escorted Tours, Sporting Events & Golfing Holidays, City Breaks, Cruise, Weddings, from the Americas, Europe right across to the Far East and Down Under to Australia

We are fully ABTA bonded and ATOL protected meaning your money is 100% safe

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
