FREE PROPERTY ALERTS

Scammers are always trying to become more sophisticated and stay one step ahead and a new scam that's becoming more prevalent is a property title scam.

With this scam, fraudsters will try and "steal" your property by pretending to be you and mortgaging the property or even selling it without your knowledge. People affected by this scam had have to fight in the courts for years to prove that they're the legitimate owners of their own homes – properties that they may have owned and lived in for years.

To combat this, the government have a service that allows you to register for alerts so that if someone tries to transfer ownership or take out a mortgage on a property you will receive a notification and can determine whether the activity is fraudulent or not.

The address doesn't have to be the one that you reside at either meaning that you can add up to 10 alerts on your account for elderly relatives or family members that are out of the country too.

For more information visit the [Property Alert Landing Page](#)

NEED TO CONTACT YOUR BANK? DIAL 159

A service has been introduced meaning that you can be sure that the number you're dialing will connect you with your bank and not someone impersonating them.

Bank scams are becoming increasingly sophisticated and may have relevant details about your account such as your full name, part of your card number or even the last purchases you made.

If you get a call saying that they're from your bank, simply hang-up, dial 159 and select your bank so you know you're connecting to the correct service. That way you know whether the call was from a genuine bank representative and, if not, it'll alert the bank that your account may be compromised.

View more details and see if your bank is part of the scheme at the [Stops Scams Website](#).

We are based in Oxfordshire and Buckinghamshire and have between us more than 60 years of Travel Industry experience. We have worked a leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. This means our experience and training helps guide and advise you on your holiday plans.

Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service.

We can offer you everything from Luxury Long Haul, Worldwide Escorted Tours, Sporting Events & Golfing Holidays, City Breaks, Cruise, Weddings, from the Americas, Europe right across to the Far East and Down Under to Australia

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
