# From Your Buckinghamshire Councillor Frank Mahon

As the newly appointed Chairman of North Bucks Community Board, I would like to give an overview of how Community Boards can support communities to thrive in 2025.

## How we will support our communities:

- Eight community boards with dedicated Chairman, Vice Chairman and Community Board Manager.
- Community Conversations to understand our communities and shape priorities.
- Delivery of community priorities by Buckinghamshire Council wards.
- Utilising our resources to achieve value for money.
- Enabling residents and local partners to take action and create positive change through Collaboration and knowledge sharing.
- Working closely with Council service areas to give feedback and escalate complex issues.

## How we can help our partners:

- Sharing our networks and bring people together to explore and resolve local issues and opportunities.
- Collaborate on delivering shared priorities.
- Signposting to funding sources and other known resources to support partners to deliver priorities which sit outside of the Community Board remit.

## How Partners Can Help Us:

- Help us to grow our network - tell local groups and residents about the Boards.
- Participate in Community Conversations - sharing Community intelligence and ideas.
- Get involved in supporting delivery of the priorities

## Useful points to note:

- We will enable residents to take their own action through sharing knowledge and signposting to the best place to report issues and seek support/advice.
- We will pass relevant feedback/escalations to other Council services.
- We will work with other services to align with the Council's strategic priorities.
- Community Boards have no external funding process.
- Community Boards cannot commission highway projects.
- It is not feasible for everything to become a priority - an evidence based approach will be taken.

Have a great summer!

# **TINGEWICK AND WATER STRATFORD HORTICULTURAL SOCIETY**

**“Your local garden club”**

**Vacancies have arisen for both a Chair and Secretary for our 101 year old Society as the current officers are stepping down after many years of valued service.**

Both roles are vital and require efficient, effective individuals who are interested in gardening, to work as part of a friendly team.

Our committee meets several times a year to plan successful events such as the recent Summer Show and the upcoming coach trip to the RHS garden at Wisley.

Briefly, the Chair leads committee meetings, events and ensures the Society's aims and constitution are upheld. The Secretary maintains records, organises agendas, takes and distributes minutes of meetings.

Are you interested in learning more about either voluntary role? If so, please contact:-

Teresa on 07703 755807 for an informal chat or email [teresa.smith9@gmail.com](mailto:teresa.smith9@gmail.com) before Monday 22nd September

## **EVENTS FOR YOUR DIARY**

### **Concert for Oboe and Strings**

On Sunday 21st September at 3.00pm we have a concert of 'Music for a summer afternoon' when we will be joined by the Crewdson Collective. This group of highly talented musicians include oboist Jessica Mogridge, who is joined by local professional string players. Tickets will be available from the village Post Office, the Friday Café and the Village Arms on Friday evenings, or by phoning 01280 847594. Tickets are priced at £10, and Under 10's are £5.

Interval refreshments will be available.

All monies raised will be shared between the Northamptonshire Music and Performing Arts Trust and St Mary Magdalene Church.

Talking about the charity that the group raise funds for, Jessica said:

***'We're raising funds for NMPAT because we're all NMPAT alumni and all work in music or the performing arts in one way or another. From self-employed musicians who work with all the UK's leading orchestras, to the Captain of the Band of the Irish Guards, and the "Music Health Service" which provides music for people in care homes, we all learnt how to be musicians through our teachers and ensembles at NMPAT.'***

***The Crewdson Collective was formed to play at the memorial concert of Jessica's mother, Anne Mogridge. Anne anonymously gave money for young musicians to go on residential courses and tours, who otherwise wouldn't be able to afford to go. She wanted those musicians to have the experience, and the Crewdson Collective is continuing this by raising funds through getting together and giving concerts. In a cost-of-living crisis, and with funding cuts to the arts ever present, this work is vital.'***

### **94. The Royal Oak Development (7.30pm via Teams)**

Discussion with Mr Thomas French, Planning Consultant for the Tingewick Development Group regarding proposals for the site.

Mr French attended via a Teams link

- Mr French confirmed that he works for Cordage Group, a development group that has been employed by the owners of the land, Admiral Taverns, as their asset managers.
- Also part of the Cordage Group is Tingewick Developments Limited (TDL) who have submitted the current planning application and for which Mr French is the Planning Consultant.
- It was confirmed that TDL was set up for the purpose of the proposed development.
- It was confirmed that the Royal Oak and the land to the rear is all owned by Admiral Taverns
- The meeting was advised that the car park (adjacent to the Village Hall) is not part of the current application.
- It was questioned what the sale in January 2025, for the sum of £10,000, consisted of. It was noted that this was in the moratorium period and appears on the face to be at a gross undervalue if it was for the whole site as per the title plan. Mr French advised that he did not know what this sale was and would make enquires and confirm the same. **Action: T French**
- TDL will build through a third-party contractor.
- It was confirmed that TDL will continue to exist post build.
- A management company will be established, requiring 30 years of maintenance, and the prospective purchasers will be required to make a service charge to the management company.
- The plan is to establish a road to the side of the Royal Oak. Concerns regarding safety were raised.
- Concerns regarding flooding were raised, the village has a real and damaging history of flooding, it was felt that this will exacerbate flooding by run off to the Main Street
- Environmental impacts were raised as were the impact of the proposed development to neighbouring properties.

## UK EMERGENCY BROADCAST TEST

On **Sunday 7 September 2025 at 3pm**, the government will carry out a national test of the Emergency Alerts system. This means most mobile phones and tablets across the UK will receive a test message, accompanied by a loud siren-like sound and vibration that will last for about 10 seconds.

The message you receive will clearly state that this is a test and that no action is required on your part. **The alert will come through even if your device is set to silent mode**, which is an important feature of the system designed to ensure people receive warnings in genuine emergencies.

The Emergency Alerts system serves a crucial purpose in keeping the public safe. It's used to warn people when there's a danger to life nearby, including severe weather events like storms or flooding. Since the first national test in April 2023, the system has sent five real alerts during major storms when lives were genuinely at risk.

# THE TRAVEL DIRECTORS

**Joanne Scurr & Kelly White are the Travel Directors, your local travel experts**

We are based in Oxfordshire and Buckinghamshire and have between us more than 60 years of Travel Industry experience. We have worked a leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. This means our experience and training helps guide and advise you on your holiday plans.

Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service.

**We can offer you everything from Luxury Long Haul, Worldwide Escorted Tours, Sporting Events & Golfing Holidays, City Breaks, Cruise, Weddings, from the Americas, Europe right across to the Far East and Down Under to Australia**

**We are fully ABTA bonded and ATOL protected meaning your money is 100% safe**

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
