Exciting Improvements At Our Village Hall

Over the summer, our Village Hall has undergone an exciting upgrade that will make it even more welcoming and comfortable for everyone in the community. Thanks to months of careful planning, fundraising, and teamwork, we are delighted to announce the installation of a brand-new heating and cooling system.

This state-of-the-art system is a fantastic addition for all who use the hall. Not only does it provide reliable heating during the colder months, but it also offers much-needed air conditioning throughout the summer. Whether you're attending a lively community event, a fitness class, a coffee morning, or a private celebration, the hall will now provide a consistently pleasant environment all year round.

The upgrade is part of our ongoing commitment to improving the facilities at the Village Hall so it remains at the heart of community life. We want everyone to feel comfortable and able to enjoy the space, whatever the weather outside.

This improvement would not have been possible without the continued support of our wonderful community. From those who attended fundraising events, to the volunteers and committee members who worked tirelessly behind the scenes, we extend a heartfelt thank you. Your efforts mean that the hall is not only better equipped for today's needs but also more sustainable for the future.

We look forward to welcoming you back to the hall to experience the difference for yourself. Keep an eye out for upcoming events and gatherings, we can't wait to see you making the most of our newly improved space.

TINGEWICK PARISH COUNCIL

MINUTES OF THE PARISH COUNCIL MEETING HELD ON 27th AUGUST 2025 AT 7.00 PM

PRESENT: Cllr Hornsey (Chaiman)
Cllr Newman
Cllr Rennie
Cllr Maxwell
Cllr Sullivan
Cllr Pearson
Dawn Rogers (Parish Clerk)
County Councillor Fealey
County Councillor Mahon

IN ATTENDANCE: 2 Members of the public

108. Apologies

Cllr Grant

109. Declarations of Interest

No declarations of interest.

Open Forum – 2 members of the public in attendance

Development at Buckingham Street. The meeting was advised that contractors arrived on site to clear the area on the morning of 22.08.25, no prior notice had been given. The cut down trees and scrub was burnt, as opposed to being chipped or removed from site. The burning went on over the Bank Holiday weekend, causing such a degree of smoke and ash that the fire brigade was called. Cllr Fealey had confirmed that the site belongs to Fairhive and that he has reported the incident to the council's planning enforcement team for action.

Videos of the incident will be sent to Cllr Mahon, who is on the board of Fairhive, he will pass them to Fairhive's operations director for comment and will report back to the Clerk.

It was questioned whether there was a potential breach of planning as work appears to be in excess of the approved planning permission.

Cllr Mahon will raise the residents' concerns regarding recompense for damaged garden furniture and arrange for a representative to meet the residents and Parish Councilors.

It was agreed that the clerk would write to Fairhives operations manager to gain an understanding of how this incident was allowed to happen.

Cllr Mahon will ask Fairhive to send out a site manager to assess the site as there are concerns that it is unsafe.

(Post Meeting Note: It has since been established that Fairhive are not the owners of the land and that it is in private ownership. The private owners have been identified and contacted.)

110. To approve minutes of the meeting held on 30.07.25

It was proposed that the minutes be approved as a true and accurate record.

Proposed: Cllr Maxwell Seconded: Cllr Pearson Approved

111. Matters arising for information and reports only

- **Item 85 b ii – First Aid Training** - Quote obtained from St Johns Ambulance £1,350 for 24 attendees on site. The Clerk will seek clarification on the figures and Cllr Pearson will check whether the Village Hall Committee has a more competitive option. **Action: Clerk**
- **Item 86 – Recreation Ground** - Cllr Maxwell has ordered a brown amenities sign from Buckinghamshire.
- **Item 94 – Development at the Royal Oak** - No response has been received from Mr French.
- **Item 97 – Footpaths** - Gorrell Lane/Deadmans Walk - Collapsed Fence. Cllr Sullivan attended the site and reported that the obstruction has been removed by the landowner.
- **Item 99 - Obscured Street Light at Forge Close** - The tree surgeon has recommended that the tree be cut down as opposed to heavily cut back at a cost of £1,275. As the tree is outside of the conservation area permission will not be required.
It was proposed that the tree surgeon be instructed at a cost of £1,275
Proposed: Cllr Pearson Seconded: Cllr Sullivan Agreed
- **Item 100. Replacement Bench at Stockley's Lane** - It was reported that as the bench is concreted in new wooden slats will be purchased to repair it. **Action: Cllr Hornsey**
- **Item 101 - Replacement Litter Bin** - the new litter bin will be installed at the bus stop on a new post. **Action: Cllr Hornsey**
- **Item 102. Replacement of Village Planters and Village Gate**
 - Village Planters –Various options have been investigated. The most appropriate are Galvanized water troughs, with suitable drainage at 40cm in height x 90cm or 40cm x 180cm.
It was proposed that four troughs be purchased (40cm x 120cm) at £127.90 plus vat each
Proposed: Cllr Pearson Seconded: Cllr Newman Agreed **Action: Cllr Rennie**
 - Village Gate (Finnere Road). The Local Area Technician advises that the parts to repair the gate have been ordered and should be repaired shortly.
- **Item 103 School Playground Surface Repair**
The meeting received the three quotations for the work. It was noted that one did not offer under-surface groundwork repair and as such was ruled out. After discussion, it was agreed that Abacus appeared to be the most appropriate. A site meeting will be arranged between the company and Cllr Hornsey to further discuss the proposed work. The Clerk will also review the company's reviews. The matter will then be reviewed at the next meeting.
Action: Cllr Hornsey and Clerk
- **Item 104 Encroachment of roads and pathways** Cllr Maxwell has cleared the areas of encroachments and it was noted that the school hedge has been cut.
It was also noted that the footpath from the village to the roundabout and on to the golf club was dangerous due to overgrown vegetation. It is an important route, there being no public transport serving that area. This will be reported to Bucks Council. **Action: Clerk**

112. Buckinghamshire Councilors' Reports

Cllr Mahon and Cllr Fealey attended.

Cllr Fealey provided an oral report.

- Buckingham Street – it was agreed that the cutting and burning work over the Bank Holiday was not acceptable and has been passed to the planning enforcement team.
- Royal Oak - several concerns have been raised regarding the planning application to the rear of the property and planning officers are looking into it, but it will take some time for it to be considered.
- Cllr Mahon is trying to place the Royal Oak on the 'at risk' register due to lack of maintenance and the condition of the building, there are concerns that winter weather will cause severe damage. If registered, it will compel Admiral Taverns to maintain the property or sell it.
- It was noted that Parsonage Farm at the Triangle may benefit from inclusion on the 'at risk' register. Clerk to pass details to Cllr Fealey. **Action: Clerk**
- Election expenses – it was felt that the fees that the Parish Council is being asked to pay is a significant sum for an uncontested election. Concern was also raised that the process was unnecessarily bureaucratic. The Chairman asked that the meeting's concerns were passed to the County Council.
- There is no date yet for the resurfacing at Gawcott as it is reliant of the opening of the HS2 route.

113. Planning

- a. 25/02011/APP-TINGEWICK. The Old Bakery, Main Street, Tingewick. Proposed infilling of two internal doors to create two separate dwellings and installation of replacement steps to rear garden. **No Objections.**
