TINGEWICK PARISH COUNCIL

## Tingewick Summer Fete 2026

Following on from a highly successful Fete Tingewick Parish Council would like to thank the many people who worked so hard to make it possible.

Firstly, all the companies & individuals who donated prizes for the raffle, the village hall & the church for the loan of tables & chairs, the Community Café for their fabulous cakes & a special thank you to Steve & Karen of Herts Hog Roasts, who worked tirelessly all day to ensure we were well fed!

Also to the Fete committee, who have been hard at work since the winter ensuring everything looked easy (It isn't) & several individuals (who I won't embarrass by naming) who went above & beyond to ensure a successful outcome.

Finally, to the good people of Tingewick who we hope had a great day out & left us with very little litter picking plus of course to our honoured guest. His Majesty's Lord Lieutenant of Buckinghamshire, Countess Howe, who opened proceedings.

We are still collating the final totals but will be making a worthwhile donation to Tingewick Pre-school. Figures available later.

Well done & Thank You everyone!

## FOOD BANK

The kindness of villagers continues to amaze us. Our boxes are still in the church porch and all donations of non-perishable goods are always extremely welcome. Please help us to help those around us who rely on this valuable resource. Every donation really does help local families.

## **A 'COOL' PLACE TO BE**

As we approach what will hopefully be some warm weather, our lovely church is always incredibly cool. Our toy corner is well stocked with toys, books and drawing supplies. We also have a jigsaw table and a selection of puzzles, so feel free to have a go at one. Don't feel you have to complete it, as there's always someone else willing to do that. This is for the use of everyone in the village, so please come along and try it.

The church is open daily from 10.00am to 5.00pm so please feel free to come inside, just for a look or for quiet prayer and reflection.

## **NEWS FROM CALLUM ANDERSON, MP**

Hi there,

I hope you are all enjoying the start of summer across our towns and villages. And I hope the all the children in the village make the most of the new playground. It was a pleasure to open it recently!

It has been a mixed couple of months for local transport news. It is excellent to see the Bletchley eastern entrance finally completed – an issue I have been campaigning on since I was elected. This is a real step forward for passengers and station access. I will continue working with colleagues to maintain momentum on East West Rail, which, as you will know, is vital for the future success of our area.

However, the latest update on HS2 – including a further delay to at least 2039 – underlines years of failure, rising costs, and disruption that communities in north Buckinghamshire have had to endure. I will not pretend this is anything other than a disappointment, and I know the Department for Transport and those involved are working hard to address the consequences of decisions made by previous governments.

I remain deeply committed to protecting our rural life and agricultural sector. Last month in Parliament, I raised the issue of rising fertiliser costs with the Department for Environment, Food and Rural Affairs – an issue I continue to hear about from local farmers who are under significant pressure from rising costs and reduced resilience.

I've also written to more than 500 constituents who contacted me about online safety and the impact of social media on young people. Thank you to everyone who shared their concerns and experiences – your input helped shape my response to the Government's consultation. I welcome the Government's plans to strengthen protections for children online, including stronger safeguards on social media. I will continue working with local families, schools and ministers to help ensure every child can learn, connect and thrive safely online.

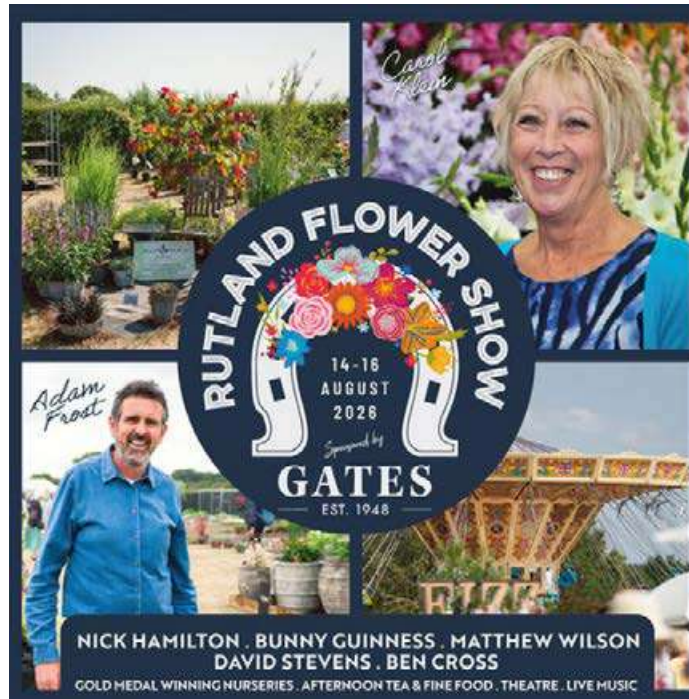

As ever, thank you to everyone who has shared their views. I will continue working hard to represent our communities across Tingewick.

Callum

The battery is showing as two out of five bars. The Clerk reported that the battery has been ordered but has not yet been received. This will be followed up. **Action: Clerk**

### Footways, Highways and Street Furniture-Cllr Maxwell

It was noted that there are some private hedges that encroach onto footways. The clerk will gently remind the residents to cut them back. **Action: Clerk**

Cllr Maxwell, Cllr Hornsey and the Clerk are meeting with the new Local Area Inspector on Monday 1<sup>st</sup> June (having been postponed from 26.05.26 due to the heat). A schedule has been drawn up for discussion.

### Footpaths (rural) – Cllr Newman

Deadmans Walk – work is in progress

The top end of Gorrell Lane has been cut and overhanging branches removed.

### Pond and Special Projects-Cllr Newman

The meeting was advised that should the pond dry up it will be cleaned.

### Cemetery -Cllr Newman

Work to commence on 7<sup>th</sup> September for the cutting of the hedges and the remedial work to level the graves.

The gate has been reinstalled.

#### Recreation Ground Grasscutting-Cllr Rennie

- There will be a cut three days before the Fete.
- Issue with the concrete at the entrance to the car park starting to break up. This will be followed up and hopefully the work will be carried out before the Fete. **Action: Cllr Hornsey**
- It was queried who was responsible for the emptying of the bin at the recreation field. It was recalled that there were discussions with BCC who agreed to add it to their schedule for an addition £100.00 per annum. The Clerk will check whether this agreement was entered into. **Action: Clerk**

#### Devolved Powers Cllr Rennie

- Noted that the grass cutting is not to the standard expected. Cllr Rennie has spoken to the contractor and has been advised that it is due to the usual cutting machine being out of action and it being a different one. Cllr Rennie is following this up. **Action: Cllr Rennie**

#### Recreation Ground Play Area- Cllr Grant

All in order and is very well used.

The Clerk will complete the transfer of the manuals for the equipment to Cllr Grant by a data stick as they are too large to email. **Action: Clerk**

#### School Playground – Cllr Hornsey reported on behalf of Cllr Pearson

### **91. Recreation Ground Development/S106 Funds**

- a) **S106 Money** – Agreed that the Changing Room Project has completed. The balance of the monies will return to the 'pot'. Quotes will be obtained to reinstate the Trim Trail.

**Action: Cllr Rennie**

- b) **Benches** – A quote to repair the benches was received in the sum of £500.

Due to the sum, it is not mandatory to obtain three quotes. It was therefore proposed that the quote be accepted.

Proposed: Cllr Hornsey      Seconded: Cllr Newman      Agreed

It was agreed that any unsafe benches will be removed to ensure safety.

- c) **Footpath to the field** - The recreation field is being used more with the new play equipment, which is welcomed. However, concern raised at the lack of footpath to the field and safety for those walking. It was noted that the Parish Council obtained a quote for a footpath at the commencement of the Recreation Field project, at that time the cost was in the region of £64,000 and it was estimated that it will have increased to around £100,000 at the current time.
- The potential of an MVAS to be installed in the area. Cllr Hornsey advised that he applied to the police fund but was refused. The fund opens again in September 2026 and a further application will be made. **Action: Cllr Hornsey**
  
  - In the short term we can obtain a sign to warn drivers of the danger of children playing in the area. **Action: Cllr Hornsey**
  
  - This will be raised with Calum Anderson MP when he opens the play area on 6<sup>th</sup> June 2026. **Action: Cllr Rennie**

**Action: Cllr Maxwell**

## 95. Correspondence

a. Roundwood School-Emptying of litter bin.

# THE TRAVEL DIRECTORS

**Joanne Scurr & Kelly White are the Travel Directors, your local travel experts**

We are based in Oxfordshire and Buckinghamshire and have between us more than 60 years of Travel Industry experience. We have worked a leading luxury long haul tour operators and have been lucky enough to have experienced first-hand the most amazing destinations across the globe. This means our experience and training helps guide and advise you on your holiday plans.

Our ethos for setting up our own business as The Travel Directors was that we felt there is a genuine gap in the market for a local Travel Company that not only has a wealth of knowledge, a love of travel but also a genuine passion for great customer service.

**We can offer you everything from Luxury Long Haul, Worldwide Escorted Tours, Sporting Events & Golfing Holidays, City Breaks, Cruise, Weddings, from the Americas, Europe right across to the Far East and Down Under to Australia**

**We are fully ABTA bonded and ATOL protected meaning your money is 100% safe**

Why would you risk your money booking online, trawling through endless websites where you cannot speak to a person and are just a number or a seat on a plane. Even with a High Street agency, you will see directional selling, promoting their own products rather than what is best for you. We are truly independent but with the financial backing and buying power of the Mid-Counties Co-operative meaning that we have access to the best rates from only trusted suppliers.
