Welcome to the June edition of the magazine. I don't know about you but this year seems to be flying by - perhaps that's down to all of the fantastic events we have going on in the village to keep us occupied.

This month sees The Royal Oak host Finmere F.C's Fun Pub Quiz on the 1st June, and there's Tingewick's own mini music festival "Tingestock" in the Village Hall on the 16th along with the legendary "BBQ In The Bus Shelter" and CD Swap. Don't forget the Fête, Beer/Cider/Pimms Festival, Classic Car Show and Live Music on the 23rd and Tony Diston's Memorial Race Night on the 29th of June. *Phew - that's a lot of events!*

Also, Tingewick is going for "Best Kept Village" competition so check out page 16 on how you can help us win the title again.

See you next month for another jam-packed Edition! - Ed

Tingewick FC

We are pleased to report we have finally managed to play some football following the recent spell of good weather, squeezing in 5 games over 3 weeks! Despite some cobwebs on the boy's boots they did really well with 3 wins, 1 draw and 1 loss.

We are currently sitting 4th in our division with 2 game still to play. We are no longer able to win our division but there is a possibility we could be runners up, which means promotion, if we win our last 2 games and the results of other teams go in our favour, so it's not over until the final whistle of the final game on Sat 20th May.

We do have some fundraisers coming up and local support would be appreciated, so watch this space for more news soon.

Keep an eye on the Tingewick Life Facebook page for updates on when we are playing up at The Rec as your support is always welcome and cuppa will be on offer too!

Tingewick Walkers

Is this a group of walkers looking confused? No, it is the Tingewick Walkers in the middle of their April walk having a bit of fun. The walk took them from Kirklington in Oxfordshire out into fields and pathways for a distance of nearly five miles, passing through Bletchington on the way. The terrain was varied but generally easy going and the outing was enjoyed by everyone. There was a visit to a local church which was open, allowing the walkers to spend a few minutes respite.

Tingewick Walkers welcome anyone who wishes to join in. They meet on the last Tuesday of the month, the following two dates being 29th May and 26th June, outside Tingewick Village Hall at

10am. The leader of the day will then explain where the walk will be taking place.

If you need any further information, please contact either Peter on 01280 848739 or Sara on 01280 847594.

Review: 'Cilla' The Musical at Aylesbury Waterside Theatre

We had the pleasure of seeing 'Cilla' The Musical on it's opening night in Aylesbury.

The cast were amazing, especially Kara Lily Heyworth who portrayed the young Cilla Black from her teens in Liverpool and playing at The Cavern Club with the Beatles to starring in her 1st TV show on the BBC.

The first half of the play runs through Cilla's early years, and is set in around The Cavern Club, showing how she met Bobby, to singing on the stage and finally getting signed and recording her first No1 "Anyone who had a heart", which i can honestly say that when the actress finished singing it there was a moment of silence and then the audience erupted.

The second half shows how Cilla tried to break America off the back of the Beatles and her rise to TV fame.

The play it's self is very entertaining with some very good comedic elements along with a very good 60's musical sound.

I would highly suggest going to see it, but, if you do, don't be surprised to find yourself on your feet clapping and singing along at the end.

“Quack, Quack!”

We’ve been breeding! We try to lay an egg a day for couple of weeks so we usually manage 14. Our eggs are inert to start with and then when we’ve got our nice little nest full we sit on them to warm them up; this is called incubating them. After that it takes our clutch 28 days to hatch! This year as usual we’ve set up some comfy garden nests in West Well Close, The Bungalows on Strangers Lane and Sand Pit Hill. Thanks very much Shirley, Ruby, Anne, Chris and you other kind humans for letting us stay and for giving us some food and water while we brood.”

The first hatching happened at the quack of dawn two weeks ago and the Duck Squad were phoned immediately to visit a garden and catch the mother and ducklings. Mary, Kate, John and I had never previously caught wildfowl so we were delighted when it went smoothly; John held the mother in the net while we rounded up the ducklings and popped them in a box. John said afterwards “I just went for the girl. That’s always worked for me before”. Such wit, he quacks me up.

The second brood didn’t hatch completely; this is called a delayed hatching. Nick, our expert pest controller and gamekeeper took the mother, ducklings and remaining eggs in and after a few days in an intensive care in an incubator at his headquarters in Bufflers Holt they were all hatched and happy.

The ducklings will stay in the Duck Squad hutches for 4 weeks until they’re released. They’ll then be big enough to have a chance against predators like crows and have some oily waterproof adult feathers that they need to stay warm and strong out on the pond. Both my family and Nick’s are really enjoying hosting the ducklings; it’s great fun. Lots of people have joined in to help feed and muck out the little fluff balls; thanks very much to Zane, Zara and Olivia.

You may contact the Duck Squad on 07875 603 008 or Nick on 07931 307 595 if you have eggs or ducklings in your garden or if you wish to be involved in the care of the Tingewick ducks and ducklings in any way at all. The more the merrier!

News from Water Stratford - June 2018

HORTICULTURAL SOCIETY SUCCESS

Congratulations to Barbara and Steve and to Sarah and Chris, whose gardens won prizes in the Spring Garden Competition. Barbara also won three cups in the Spring Show, for photography and flowers: very well done!

ANNUAL PAROCHIAL CHURCH MEETING

At this meeting on 18th April, Guy Brogden and Mike Edwards were re-elected as churchwardens and Chris Hilsdon to the PCC. It was reported that attendance at services had held steady during the past year and in some cases increased. Strikingly large congregations at the baptisms, wedding and funeral and the Christmas services provide heartening evidence that the church is still wanted by its community. It also continues to serve a wider public – over forty names were recorded in the Visitors' Book during the year, almost certainly only a small percentage of actual visitors.

The church is dependent on many people to help keep it going: the Rector, churchwardens and PCC are supported by organists, readers, cleaners, flower arrangers, refreshment makers, churchyard maintenance workers, Link writers and deliverers and financial contributors. Sincere thanks to them all, and especially to Sara for playing at a number of services, Deborah for organizing Old School bookings and Chris for examining the accounts. Sadness was expressed at the death of Juliet Rudolf, who worked hard for many years on behalf of local churches and was a good friend.

OLD SCHOOL HEDGE

On Saturday 28th April a working party tackled the long overdue task of clearing out the hedge in front of the Old School, parts of which were dying. Dead wood and rubbish were removed, a fallen tree trunk being recycled as a bug hotel at the far end of the grass. There is more to do: removal of ivy which is choking other plants; new planting, perhaps of hawthorn or blackthorn, to fill gaps; reducing the hedge to a suitable height. Most of the remaining work will be left until autumn when the nesting season is over.

Thanks to Guy, Chris, Sarah and Chris for their hard work.

CHURCH SERVICE AND ROTA

There will be a service of Pimms & Hymns at 12 noon on Sunday 17th June (in the churchyard, we hope!). Catriona and Jill will clean and Sarah will arrange flowers.

Your monthly Neighbourhood Update is now available for your area. Use the link below to find out about your Neighbourhood Policing team and view the Neighbourhood Update:-

Aylesbury Vale - <https://www.thamesvalley.police.uk/news/local/aylesbury-vale/>

ENJOY THE WARM WEATHER BUT DON'T INVITE UNWANTED GUESTS INTO YOUR HOME

This is just a quick reminder to make sure you close up windows and doors when they are unattended, or when you go to bed.

Don't let opportunist burglars have easy access to your premise.

Lock gardening tools & equipment away in a shed, outbuilding or garage and just check that your padlocks are still in good order. Lock ladders up, so they can't be used to access yours or a neighbour's property.

Report anyone acting suspiciously, at the time that you see them. Dial 101, or 999 if a crime is happening. Try to get a description of them, along with details of any vehicle they may be using, especially the registration.

Crime prevention advice and information can be found on the Thames Valley Police website.

Finally, enjoy the sunshine and warmer weather, but make sure that burglars don't benefit from it too!

IMPORTANCE OF DOG MICROCHIPPING

Having your dog microchipped can make a lot of difference when looking for and trying to identify a missing dog.

Since April 2016 it has been a legal requirement for all dogs to be microchipped by 8 weeks of age.

Each microchip has a unique number that must be registered on a Government approved database along with information about your dog and you as its owner. If your dog is not registered on one of these databases you can be fined.

It is important that the information is kept up-to-date so that if your dog does go missing, you can be contacted at the correct phone number or address.

Reporting it to the police as soon as possible is also important, including making us aware of the microchip number so we can record this on our database. This will make it easier for us to identify any dogs that are found and check to see if they have been reported as missing or stolen.

It is also recommended to record the loss or theft of your dog online using sites dedicated to finding lost and stolen dogs. Often these sites work with police and other organisations, such as local Neighbourhood Watch Groups and Veterinary practices, to try and find them.

More information on microchipping your dog can be found on the Government website.

In 2016, the Dogs Trust recorded that 9,000 stray dogs were reunited with their owners due to having a microchip with up-to-date details.

The People's Dispensary for Sick Animals (PDSA) also reported that in 2017, 11% of dog owners did not realise that it was a requirement by law to have their dog microchipped and a further 7% had not updated their details when they needed to.

FIFA 2018 WORLD CUP ALERT

The 2018 FIFA World Cup will take place from 14th June – 15th July 2018. The worldwide demand for match tickets, flight tickets, and somewhere to stay throughout the competition is expected to be significant. Those planning to travel should exercise caution when considering the purchase of tickets or accommodation because the event is highly likely to be targeted by fraudsters looking to take advantage of unsuspecting fans.

Fraudsters will likely be posing as;

Official World Cup ticket vendors or private individuals attempting to sell on a match ticket via online marketplace.

A fraudulent website or operator offering non-existent flights or other transport to host cities.

An accommodation booking service, hotel or operator, offering seemingly convenient accommodation in one of the host cities for the duration of the game.

Lottery or competition organisers claiming that you've won a prize or cash related to the tournament.

Action Fraud received over six hundred reports and intelligence submissions in relation to the previous World Cup so it's vital that football fans exercise caution when considering a purchase or making a transaction.

Protect yourself:

Listen to your instincts: If something feels wrong then it is usually right to question it.

Fraudsters will use the promise of steep discounts to lure you into handing over your money or revealing personal/financial details.

Clicking on links/files: Don't be tricked into giving a fraudster access to your personal or financial details, and never automatically click on a link in an unexpected email or text.

Visit the Action Fraud website and take a look at their Ticket Fraud, Holiday Fraud and Lottery Fraud advice pages before making any decisions or bookings.

For useful advice and information on the World Cup please visit the Government Guidance Pages: <https://www.gov.uk/guidance/be-on-the-ball-world-cup-2018>

Visit Take Five (takefive-stopfraud.org.uk/advice/) and Cyber Aware (cyberaware.gov.uk) for more information about how to protect yourself online.

FRIENDS AGAINST SCAMS – CAN YOU HELP PREVENT SCAMS IN YOUR NEIGHBOURHOOD?

Scams affect the lives of millions of people across the UK. People who are scammed often experience shame and social isolation as a result.

Friends Against Scams is a National Trading Standards (NTS) Scams Team initiative, which aims to protect and prevent people from becoming victims of scams by empowering communities to "Take a Stand Against Scams".

Friends Against Scams has been created to tackle the lack of scams awareness by providing information about scams and those who fall victim to them. This information enables communities and organisations to understand scams, talk about scams and cascade messages throughout communities about scams prevention and protection. Friends Against Scams encourages communities and organisations to take the knowledge learnt and turn it into action.

Anybody can join Friends Against Scams and make a difference in their own way.

If you are interested in finding out more and helping to spread scam prevention knowledge please visit the Friends Against Scams website.

WHAT IS PHISHING?

Fraudulently sending emails purporting to be from reputable companies in order to trick individuals into revealing personal information, such as passwords and financial information. Phishing can also be carried out over text messages (smishing) and phone calls (vishing).

Links - Don't click on the links in unsolicited emails and texts.

Attachments - Don't open the attachments in unsolicited emails.

Your information - Don't reveal personal or financial information as a result of unsolicited emails, texts or calls.

TV PROVIDERS DISCOUNT FRAUD

The National Fraud Intelligence Bureau (NFIB) have noticed an increase in Action Fraud reports where fraudsters are offering a discount on Television service provider subscriptions. Fraudsters are cold-calling victims, purporting to be from a Television (TV) provider offering a discount on their monthly subscription. Victims have been told the following: their subscription needs to be renewed; that part or all, of the TV equipment has expired and they are due an upgrade on the equipment/subscription. In order to falsely process the discount, the fraudster asks victims to confirm or provide their bank account details. The scammers may also request the victim's identification documents, such as scanned copies of passports.

The fraudsters are using the following telephone numbers: "08447111444", "02035190197" and "08001514141". The fraudster's voices are reported to sound feminine and have an Asian accent.

Later victims make enquiries and then discover that their TV service provider did not call them and that the fraudster has made transactions using the victim's bank account details. This type of fraud is nationwide. Since the beginning of this year (2018), there have been 300 Action Fraud Reports relating to this fraud. From the reports received, victims aged over 66 seem to be the most targeted.

What you need to do

Don't assume a phone call or email is authentic: Just because someone knows your basic details (such as your name and address or even your mother's maiden name), it doesn't mean they are genuine. Criminals can exploit the names of well-known companies in order to make their scams appear genuine.

Don't be rushed or pressured into making a decision: a genuine company won't force you to make a financial decisions on the spot. Always be wary if you're pressured to purchase a product or service quickly, and don't hesitate to question uninvited approaches in case it's a scam.

Stay in control: Have the confidence to refuse unusual requests for personal or financial information. Always contact the company yourself using a known email or phone number, such as the one written on a bank statement or bill.

PLEASE CHECK YOUR GARDEN, SHED AND OUTBUILDING SECURITY TO REDUCE THE CHANCE OF YOUR HOME BEING BURGLED

At this time of year many of us are busy working in our gardens.

While doing this it's easy to forget that a few simple steps could reduce the risk of your home being burgled:-

Make sure that you lock garden gates – side and rear if you have them and that locks can't be easily access by reaching over the gate.

Use a good quality lock on your sheds, outbuildings and garages and consider fitting anti-tamper screws on the hinges.

Consider using a shed alarm – which can be purchased from most garden centres or DIY stores.

Lock away small hand tool, spades and forks etc – these could be used to force entry to your home.

Lock ladders up, so they can't be used to access first floor windows.

Report anyone acting suspiciously, at the time that you see them. Try to get a description of them and details of any vehicle they might be using, especially the registration number. Call us on 101, or 999 if a crime is actually happening.

Taking a few extra precautions can prevent your gardening tools giving opportunist burglars an easy time getting into your home.

Thank you for taking a few minutes to help us beat opportunist burglars.

Do you have a will? Have your circumstances changed since your will was written?

If the answer is "No" or "Yes" respectively, then you need to come and talk to us.

For over thirty years we have written wills and advised on inheritance tax planning and trust tax.

Our fixed fee for writing a will is agreed with you at the outset. We also prepare General Powers of Attorney, Advance Directives, etc., if you need our expert services.

Bambury & Co was one of the first firms of chartered accountants in the country authorised to carry out non-contentious probate work. We can either act as the executor of your will or handle the probate process for you if you are the executor. We see ourselves as a one stop shop for tax advice, will planning and probate work so you always know with whom you are dealing.

Our fixed probate fees are agreed with you at the outset and are unbeatable because our low overheads mean we pass these savings to you.

Remember.....NOT ALL ACCOUNTANTS ARE THE SAME!
