ISSUE 287 - NOVEMBER 2018

Your FREE Magazine

Well, the nights are now drawing in and it's getting to that time of year where we set fire to a Guy and explode stuff... well it's a bit more poetic than that but you get the idea! If you're looking for a fireworks display to attend then join in the wonderful candlelit procession followed by a display at The Royal Oak - details are on the back page, and if you're hosting a display at home we've some safety advice on page 21.

This month also sees the centenary of World War One, see how the Village is taking part in this event on the various organisation adverts or the round-up on page 22.

If you're in the Over-Sixty age bracket and looking for some fun activities, the Diamonds may be right up your street! We have more information on page 4.

Finally, you'd be quackers not to help the ducks out. They're running short of food and with the weather getting colder they can do with all of the help they can get. Check out the Pond News on page 25.

All at Tingewick Pre-School would like to thank everyone who supported their quiz night on Friday 12th October.

The event was very well attended and our quiz host Steph Partridge did an excellent job with a good mixture of questions and a picture round. There was great excitement at the end with 3 teams in first place and they faced a tie breaker question.

Local businesses had been very generous in giving raffle prizes and staff, and the committee did an excellent job in selling tickets to their families, villagers and Pre-School parents who could not attend the event.

A huge thank you to the staff and Committee who helped cook jacket potatoes to accompany the chilli, and to all the committee members who worked so hard Friday evening.

Tingewick Diamonds

I should just like to thank the kind people who called me to ask if they could help us at Diamonds, we were very grateful for the kind interest and I felt pretty mean when I said that we didn't need any help.

I know we are a group in our 60s, 70s and 80s but thankfully we are very fit and able at the moment – just to put you in the picture!

I am 84 and my neighbour, Anna, is 77 and we have run the successful line dancing class in the village for the past 10 years. Another Diamonds member, June and some of her friends, started the Over Sixties Table Tennis club and this is also very popular.

As well as regular meetings, the Diamonds go to the theatre, we're booked for the pantomime again this year and we also have two coach trips a year.

The Diamonds was formed 11 years ago by Carol Thurlby, Doris Lake and Chris Carter with a grant of £100 from The Parish Council. Doris moved to be with her family in Hereford and Carol and Chris took over then, when Carol passed away suddenly in 2017, the members had to take over and continue her good work – but Carol did everything so it wasn't easy. We're still in business but we do need new members to enable the Diamonds to continue.

We meet the first Wednesday of every month in the Village Hall at 10am and we finish about 12 o'clock. We always have some form of entertainment such as a speaker, music or a quiz.

There must be quite a lot of people of this age group (60+) in the village so why not join us? It would be a great pity for this club to go the same way as so many others have.

Tingewick Walkers

North Leigh Roman Villa

The October walk was once again done in warm sunshine. It proved to be a delightful walk, starting in the small village of Stonesfield in Oxfordshire and going up and down leafy paths, beside gurgling rivers and across grassy fields. More than halfway through the walk and coming out of a forest, the field ahead contained the remains of a Roman villa, which proved to be a surprise and a point of interest. The photo shows the villa in its heyday. After a short time spent viewing the remains, the walk continued down

quiet lanes, arriving back in Stonesfield in time for lunch at the neighbouring village of Combe.

Tingewick Walkers meet once a month, on the last Tuesday at 10 am, outside Tingewick Village Hall. They welcome all newcomers. Do come and join in, it is fun.

Tingewick FC

Well we have had a great start to our season for the U16 team, having won 4 of our 5 games and having scored an impressive 25 goals over those 5 games!

We are now in winter training up on the astro at Stowe as the light is fading and we are delighted to be sharing the astro with Finmere FC. This is fantastic collaboration for the two clubs as it helps us with winter training costs whilst helping Finmere with a winter training slot. It also means as we get to know each other the boys can occasionally, after their structured training session, have an end of session match with the men. I know who my money is on 😊

The U9/U10's are still training on a Saturday morning up at the Rec and are building their skills week by week. Please spread the word as more players are very welcome.

The U16's are looking for a Goalkeeper, so if any of you know of any U15/U16 boys who are a goalie and looking for a club, please ask them to get in touch.

As always information on the club can be found on our Facebook page or on our website <http://tingewickfc.co.uk/>

Spring Show Discontinued

The Spring Show was first held in 2005 and became a fixture on our annual calendar of events. Over the last three years or so our older, longstanding exhibitors at the Spring Show have gradually declined in number. Younger exhibitors are not coming along to take their place. For two years now nearly 80% of exhibits have been entered by members of the committee. This means effectively that the Spring Show has become a competition between committee members which is not the purpose of the Show. At the same time the number of visitors to the Show has declined considerably.

On account of these facts and bearing in mind the time taken to organise the Show and the costs involved the committee have reluctantly made the decision to discontinue the Spring Show.

The committee would like to thank all those who have supported the Show in so many ways. The contributions made by exhibitors, judges, sponsors, stall holders and helpers over the last fourteen years is very much appreciated.

Barbara Prideaux - Chair

Watch out for these fake TV Licensing emails.

We've seen a sharp increase in reports about fake TV Licensing emails claiming to offer refunds. The emails state that the refund cannot be processed due to "invalid account details". The links provided in the emails lead to phishing websites designed to steal personal and financial details.

Six Hate Crimes Recorded Every Day In Thames Valley

In early October, the Police launched the latest phase of the Hidden Harm campaign, this time asking everyone to open their eyes to hate crime.

A hate crime is any crime committed against a person which is perceived to be motivated by hostility or prejudice towards their:

- Race
- Religion
- Sexual orientation
- Disability
- Transgender identity

Hate crimes can take place anywhere, even online. They can include threats, intimidation, damage to property and physical attacks.

They can have serious long-term effects on people – emotionally, physically and financially. Last year at least six hate crimes were recorded every day in Thames Valley.

No one should be targeted because of who they are, how they look or what they believe in.

If you or someone you know has been a victim of hate crime, or if you have witnessed a hate crime, report it.

You can do this by contacting the police on 101 or 999 in an emergency. Or you can contact Victims First on 0300 1234 148 for confidential advice and support.

For more information about hate crime or to report online visit

Firework Safety Advice

Having fireworks at home can be great fun, as long as they are used safely. Figures show more children rather than adults get hurt by fireworks. Over the past few years over 350 pre-school children, some only a year old, were treated in hospital for fireworks injuries. This advice from **FireService.co.uk** will help keep you safe and enjoy your fireworks display

Be safe not sorry

Fireworks are safe if you use them properly. If you're putting on a home display, you should follow some simple steps to make sure that everyone has a good time without getting hurt.

Keep kids safe with Fireworks & Sparklers

We want children to enjoy fireworks but they need to know that they can be dangerous if they are not used properly. Each year, over half of all firework injuries are suffered by children.

Did you know that **sparklers get five times hotter than cooking oil**? Sparklers are not toys and should never be given to a child under five. Never touch a spent sparkler and always dispose of in a bucket of sand or water

Where to buy

Don't cut corners just to save a few pounds. Always buy fireworks from a reputable shop to make sure that they conform to British Standards. This means that they should have BS 7114 written on the box. Whatever you do, don't buy fireworks from anywhere you're not sure about, such as the back of a van or from a temporary, unlicensed market stall.

What to buy

There are different categories of fireworks and some can only be bought by professionals. Members of the public can buy and set off most of the fireworks that come under Categories 1 to 3. These are fireworks that include those that you can use indoors, in your garden or at a display. Always read the packet carefully and make sure that the fireworks you buy are suitable for the place where you are going to set them off.

Setting them off

Only one person should be in charge of fireworks. If that's you, then make sure you take all the necessary precautions. Read the instructions in daylight and don't drink any alcohol until they've all been discharged. Make your preparations in advance, and in daylight.

On the night, you will need:

- A torch
- A bucket or two of water or sand
- Eye protection and gloves
- A bucket of soft earth to put fireworks in
- Suitable supports and launchers if you're setting off Catherine wheels or rockets.
- A metal tin to hold your fireworks

REMEMBER: NEVER RETURN TO A LIT FIREWORK IF IT DOESN'T GO OFF AND KEEP ALL PETS INSIDE

WWI Centenary - The Silent Soldier Silhouette

You may have seen Silent Soldier Silhouettes appearing recently around the country, including one by Tingewick Pond.

Original Photo by Hazel Mead on Tingewick Life

The Royal British Legion launched these near life-sized Tommies in mid-2018 in remembrance of those who silently made it home from World War One – as well as those who didn't.

On the base of the soldier is the phrase "Lest We Forget" which was first used in 1897 in a poem by Rudyard Kipling called "Recessional", which in turn is thought to be inspired by the phrases "lest thou forget" and "lest thou depart" in Deuteronomy (4:7-9). After the First World War the phrase was adopted for use on memorials, grave stones and became synonymous with Remembrance Day.

Tingewick has several events to commemorate the soldiers who did and didn't return and they all need your support – not only for the organisations that are putting on these events but also to ensure that the brave men who fought valiantly for our country are not forgotten

The events are listed in the magazine and Village Diary but just in case you missed them:

Interestingly, the term Tommy when used in relation to a soldier is known to have been used as far back as 1743! "Tommy" is thought to have been derived from the name Thomas Atkins which was apparently chosen by the Duke Of Wellington after he was inspired by a soldier's bravery but there is little proof of this.

It is known that the Germans, French and Commonwealth soldiers referred to British soldiers as "Tommies" during World War One, with the Germans shouting "Tommy" across no-mans-land when they needed to communicate with their enemy

Although the term is slowly dropping out of use, Private soldiers in the Parachute regiment are still referred to as "Toms" so the name still lives on 100 years later.

“Quack Quack!”

Nice weather for ducks! We're all well and healthy! We know there are lots of us at the moment as the Duck Squad didn't manage to catch all our ducklings this year and we were amazing at breeding so please drive really carefully past the pond when we're milling about in the road in a great gaggle. We've got no road sense at all! We haven't a clue; just searching out the juiciest insects in the verges!”

As always you may contact the Duck Squad on 07875 603 008 if you'd like to get involved in the daily feeding or in the hatching business when it all kicks off again in the Spring! Duck Squad members also check the 'Tingewick Life' Facebook page on the web so you could post there.

The Duck Squad ran out of money £60 ago. We need money for the grain we feed them every day (we get adult duck food donated which is brilliant for pretty much all of the year but when it ran out during the summer we bought it ourselves). We also buy straw and chick crumb to use whilst looking after the ducklings (there were no donations of this during much of the hatching season).

We'd appreciate it if you would donate some money (we're aiming for £60 at the moment); you can drop an envelope with your donation in to 'The Old Thatch' on Main Street.

Thanks!

DRAFT Minutes of the Tingewick Parish Council meeting held on 04-10-2018 at 7.30pm.

Members of the public in attendance: 1

285 Apologies: District Councillor Patrick Fealey.

286 Declarations of Interest: Cllr Lightfoot declared an interest in item 291: 18/03337/ALB

287 Minutes: To consider the approval of the minutes of the last meeting held on 06-09-2018.

Proposed: Cllr Maxwell

Seconded: Cllr Fenemore

Approved

288 County Councillor's Report

Cllr Clare advised that he has spoken with Lois Houghton-Brown about the trees in Gorrell Close and together they are trying to find a solution.

It is hoped the southern curb of the Tingewick Road roundabout will be tarmacked this week.

Plans have been developed to not use traffic lights, instead using the southern curve and move the left-hand turn into Tingewick Road so it can only be accessed from the East side; meaning traffic would have to go down the A421 and turn around at the Gawcott Roundabout. Once this is closer to being confirmed, a map will be put out and dates will be announced but it will be at least another two weeks until then.

Cllr Clare passed on to the grounds crew, the comments from TPC and it made their week as it is not often they receive positive feedback; they were very appreciative.

Resurfacing of the A422 between Buckingham and Water Stratford Road has been completed.

Cllr Maxwell reminded Cllr Clare of the street lights at Tingewick Roundabout that have been burning continuously for we months, he raised it with TFB and they advised it would be addressed on the next grass-cutting day, however it has not been done yet.

Cllr Clare advised that like the potholes recently, street lighting is now the common issue at BCC and it is next on his agenda of items to pick up on.

Cllr Hornsey advised that he received a complaint from a Tingewick resident about the amount of advertising signs appearing on the fence by the Tingewick roundabout.

Cllr Clare believes the fencing is part of the highways structure and as such would come under the Highways team, however if there is a grand swell of similar comments he is happy to look in to it further and if the resident who has lodged the complaint has a real concern about he is equally happy for Cllr Hornsey to pass on his email address for the resident to contact him directly.

Cllr Lightfoot enquired as to the legality of bicycles hurtling through the village at great speed.

Cllr Clare advised that the speed is the same as it is for vehicles; however it is the responsibility of the rider to ride sensibly. If it is a persistent problem with weekend cycling events, the he suggests contacting the cycle club to lodge complaint.

Cllr MacGarvey added that if there are arrows for a cycling event, then it should be marshalled.

Cllr Clare added that Gawcott PC have said something similar recently; he suggests if villages are finding it becoming more of a nuisance, then it should be raised locally, perhaps to the LAF, to release something locally to the clubs asking them to notify PC's when cycling events are on.

289 District Councillor's Report: Apologies received.

290 Matters Arising:

- *Item 255 – Parking*

Clerk to lodge application with the Local Area Forum (LAF) re; having yellow lines installed. More information required to confirm if residents are within their rights when parking; Clerk to update the form previously placed on cars that were illegally parked, by the Neighbourhood Watch Team and send to the Buckingham & District Neighbourhood Policing Team to check its validity and accuracy.

Clerk advised the LAF application was submitted but a response from the Police has not been confirmed. Cllr Maxwell stated that he spoke with a Police Constable at the recent LAF and discussed the community concern that the police force is very thin on the ground at the moment. It was noted that no residents were in attendance to discuss the issues that frequently appear on social media.

- *Item 256 – Carol Thurlby Memorial Bench Seat*

A supplier has been chosen; all information requested has been sent, including measurements and street address for delivery. A quote is now awaited.

This has been followed up but a response is still awaited. Clerk to source another supplier.

A quote has been received.

Action: Clerk to forward quote to the TVHMC for agreement.

- *Item 262 – District Councillors Report, 20 mile per hour speed limit, To be raised by Local Area Forum*

Cllr Fealey was not in attendance.

Action: Clerk to write to Simon Garwood for an update from the LAF.

- *Item 268 – Website*
TPC website needs of updating; offers received from multiple sources.

Cllr advised the PC has been contacted by a few local people interested.

Action: Clerk to request proposals from interested parties, for a comparison to be made.

- *Item 276 – Planning Application Ref: 17/02665/APP / Appeal Ref: 18/00041/REF*
Cllr MacGarvey to draft comments and send to Clerk to submit to AVDC - Completed.
- *Item 279 a) Correspondence: Duck Pond*
Increased cost of duck food.

It was agreed that although the PC own the pond and maintain the surrounding area, it is not responsible for the wildlife and as such cannot allocate funds toward the cost of duck food. A suggestion was made for an honesty box and small bags of food being made available to those who wish to feed the ducks the correct food and help with the cost.

- *Item 279 b) Correspondence: Speeding in Little Tingewick*
Cllr Hornsey to explore positioning of MVAS in Little Tingewick.

Cllr Hornsey advised that he moved the MVAS to Little Tingewick two days ago and it will be included on the rotation with the other sites in the Village from now on.

- *Item 282 – Tingewick Rec Trust Calendar Fundraiser*
Judging of Photo Competition entries.

Due to an overwhelming response the Clerk was unable to present all entries at tonight's meeting. Councillors will judge the photo entries outside of this meeting; the winners will be notified privately and announced at the next PC meeting.

291 Planning;

18/03204/APP – TINGEWICK, West Well Farm Barton Road. Detached timber frame 2 bay garage with storage space above - **NO OBJECTION**

18/02507/APP – TINGEWICK, Playing Field Water Stratford Road. Erection of sports pavilion and associated external works - **NO OBJECTION**

18/03337/ALB – TINGEWICK, Ancient Lights Main Street. Demolition of existing glazed link and construction of single storey extension - **NO OBJECTION**

292 Accounts

It was proposed that the Transaction Report be accepted.

Proposed: Cllr Lightfoot Second: Cllr Hornsey Approved

Budget Report was not printed but was accepted based on Transaction Report being accepted.

293 Councillors' Reports and Items for Future Agenda

- Cllr Lightfoot
The only outstanding items were street lights at The Old Bakery and on Water Stratford Road, both have been seen-to today.
- Cllr Hornsey - Nothing to report.
- Cllr Swinburne - Nothing to report.
- Cllr Fenemore
The Rec Ground looks quite nice at moment; the swings have been strimmed and are tidy.
- Cllr Maxwell
Quite a few potholes have been marked, some have been tarmacked though others have been marked for weeks and not yet filled – this will be followed up with TfB.
- Cllr Newman - Nothing to report.
- Cllr MacGarvey - Nothing to report.
Cllr MacGarvey questioned if the Silent Soldier will keep moving around the village or if a permanent home will be identified?
Cllr Hornsey stated that a permanent home would be great but the soldier will stay in its current position until after November 2018.

Cllr Lightfoot suggested the item carry over to the next PC meeting and in the meantime residents are encouraged to make suggestions of where they think the solidier would be best located for a permanent sighting.

Action: Clerk to include on November agenda for further discussion.

294 Correspondence (standing item)

Rosemary Stuchbury advised that she attended the Transport for Buck's meeting on 02-10-2018 and reports good news, that there will be no cuts to Tingewick buses. She will be given notices to display when the Saturday bus to Banbury will be able to run again.

295 Tingewick Community Park Trust Update (standing item)

Cllr Lightfoot advised that the Trust was awarded £1,000 from the Bicester Tesco token scheme. She will arrange to receive the giant cheque and have pictures taken to advertise the win.

Cllr Lightfoot tried to chase Tesco to see if the Trust can get a date for the Buckingham Tesco token scheme but must wait until after six months from the application date.

Cllr Lightfoot will also try to chase Waitrose to see if the Trust can get a date for the Buckingham store's token scheme application.

The Planning Application has been lodged with AVDC and a decision is eagerly awaited.

296 AVDC Devolution Presentation

Cllr Hornsey advised that this has been discussed before and it was agreed that it would be too much for Tingewick to take on for a full devolution, however he agreed with Cllr Clare that little things can be done quickly and easily by asking locals to help so there may be scope for the PC to take on some devolution.

Action: one, or more, of the Councillors will be identified to attend one of the Devolution seminars hosted by AVDC in the coming weeks to gain more information and see the facts.

297 Tingewick Pre-school

A request was received from Tingewick Pre-school (TPS) for assistance with their fundraising. It was agreed that rather than contributing a raffle prize that may generate a few more sales in raffle tickets, the Pre-school may benefit more from a £100 general contribution.

Action: Clerk to inform TPS and include the contribution in next months' accounts.

298 Date of next Meeting

The next Parish Council Meeting is confirmed for Thursday 1st November 2018 at 7.30pm.
