ANNUAL SUMMER SHOW - AWARDS 2019

WOW WOW – There was much to see at this years Summer Show which was by far the biggest Show in our history with a much higher number of entries than ever before in many classes. Many exhibitors showed their artistic side with beautiful floral arrangements and over a hundred photographs were on display. Bakers made delicious cakes, jams and chutneys whilst those who enjoy handicrafts showed off their varied skills by making unusual knitted items, cushions, lampshades and so much more. Children at the three local schools produced over eighty drawings, paintings collages and photos of vegetable gardens and allotments, made flowers from various materials and baked fairy cakes and cup cakes. All in all a very colourful display. After admiring the exhibits and a display of old horticultural tools and machinery visitors perused the stalls, entered the raffle, had a go on the tombola and finished off the afternoon with tea or coffee and delicious homemade cakes. The afternoon ended with the presentation of Cups and Best Exhibit Certificates by the President, Richard Fenemore, to the worthy winners. Many thanks to everyone for all their help and support and to all those who came to look around the Show in the afternoon. It is very much appreciated.

TINGEWICK WALKERS

The backdrop for the photo line-up is Blenheim Palace. This provided a wonderful beginning to the August walk, which wound its way through grassy paths until the palace was in view with its lake and bridge. Admiring the splendid scenery, the walkers proceeded in a westerly direction taking a varied route of hills, woods and fields. There were mad pheasants trying to break free of wire netting bordering the estate, with one or two succeeding with wild abandon and startling the walkers. The weather was

extremely hot and everyone had to keep up their water intake. Lunch was taken at The Black Prince where the ladies running the bar were quick, cheerful and efficient.

The walkers meet on the last Tuesday of the month at 10am outside Tingewick Village Hall. Anyone interested, do come along and join in. For further information you can call either Peter on 01280 848739 or Sara on 01280 847594.

“Quack, Quack!”

We hope you have enjoyed the recent weather, we have really enjoyed splashing around in the pond.

There are quite a few of us on the pond at the moment, around 30, and we are all getting on well. We love getting our breakfast in the mornings and greet whoever is feeding us with great enthusiasm. After a bit of a graze we all head back to the pond for our morning washing routine.

Big thanks to all who come to visit us, we love visitors. Thanks also for the bale of barley, it is helping reduce the green algae in the pond and fresh rainfall will continue to help reduce it.

We are fortunate enough to have food donated to us by Mole Valley Services, formerly Cox & Robinson, Buckingham, thank you very much. Continued thanks to Nick at Acme Pest Control for all his help and contributions and to those kind villagers from Tingewick and also Water Stratford, we are very grateful.

Not much else to report from the pond so we will wish you a happy few weeks until we quack to you next time.

Hope to see you for a visit soon.

Quack, Quack!”

News from Water Stratford

HORTICULTURAL SOCIETY ANNUAL SUMMER SHOW

The Horticultural Society held its 95th Annual Summer Show on 24th August. It was a record year with 45 individual exhibitors producing 460 entries between them across the various classes. This was more exhibitors and entries than ever before. In addition, there were 85 entries in the junior classes from local children. On a hot summer's day lots of people from the local area and further afield came to view the exhibits. With classes covering flowers, vegetables and fruit, handicrafts, cakes and jams, flower arranging and photography there was much to see and admire. Visitors could also see a display of old horticultural tools, peruse a variety of stalls, have a go on the tombola and raffle and enjoy delicious tea, coffee and homemade cakes. The Show closed with the presentation of Cups and Best Exhibit Certificates to the worthy winners by the Society's President.

Barbara Prideaux

Congratulations to all the entrants who created an impressive display, and especially from Water Stratford to Susan, who won the Cup for the most points in the flower arranging classes, and to Barbara, who won the Cup for most points in the general flower classes, another Cup for the Best Exhibit in the general flower classes and a Shield for the resident of Tingewick or Water Stratford with the most points in the Show.

CHURCHYARD HORNBEAM

On 19th August we said farewell to the magnificent hornbeam on the northern edge of the churchyard, considered by local experts to be one of the finest specimens in North Bucks. Sadly a succession of dry summers killed it and it became dangerous, so had to be felled at enormous financial as well as environmental cost. Reverend Professor Joseph Bosworth, compiler of a seminal Anglo-Saxon dictionary and a former Rector here, and his second wife are buried near its base; as its girth suggests that it is between 100 and 200 years old, it may well have been planted to commemorate the death of Anne Margaret Bosworth in 1863 or Joseph himself in 1876. Thanks are due to Sarah for organizing and Chris for overseeing the work, to Guy for arranging the finance and to everyone who donated towards the cost.

CHURCH SERVICE AND ROTA

There will be a Harvest Service on Sunday 20th October at 11.15am. We are fortunate to have Revd Canon Glyn Evans, Rural Officer for the Oxford Diocese and Regional Director (central England) for the Farm Crisis Network, coming to lead this service. Some will remember that he kindly stepped in at the eleventh hour to lead our first Plough Sunday service some years ago, a memorable and well-attended occasion. Fiona will arrange flowers and Sarah and Nicky will clean.

Tingewick Neighbourhood Watch

☺ ☺ CRIME CANNOT FLOURISH IN A COMMUNITY THAT CARES ☺ ☺

Use the link below to find out about your Neighbourhood Policing team
<https://www.thamesvalley.police.uk/>

Scam

Action Fraud has received 63 reports about a scam in which fraudsters target people with offers of “low cost” loans or “free” government grants. What the victims aren’t told is that the money they’ll receive is actually an advance payment for Universal Credit. The criminals use the personal information they’ve obtain under false pretences to make an application in the victim’s name. After the fraudsters have taken their “fee” from the advance payment, the victim is then left to pay back the total amount once their repayments begin.

How you can protect yourself:

Never share your personal or financial information with someone you don’t know and trust, especially if it’s in response to an offer of “free money” or a “free grant”.

Department for Work & Pensions (DWP) staff will never approach you in the street or ask for your personal/financial details over social media.

If you have concerns about your benefits, you should visit www.gov.uk/contact-jobcentre-plus

If you suspect your identity may have been stolen, you can check your credit rating quickly and easily online. You should do this every few months anyway, using a reputable service provider and following up on any unexpected or suspicious results.

Fraudsters Targeting Social Media Influencers

Be Aware -

The National Fraud Intelligence Bureau has received intelligence to suggest that fraudsters are contacting social media influencers, based in the UK and abroad, offering them the opportunity to market a bogus product, service or investment opportunity.

Fraudsters will present professional and credible pitches to the social media influencers and try to convince them to feature the opportunity for a fee on their social media profiles in order to entice unsuspecting followers of the influencer to sign up or make a purchase.

Additionally, fraudsters are using the names of well-known public figures, implying that their opportunity or product is endorsed by the figure when it is not.

The public should be aware that any apparent endorsement by celebrities, influencers or personalities does not necessarily mean that an investment, product or service is genuine. The public is urged to exercise a cautious approach to any such offer of investment, product or service with the same caution they would at any other time.

What You Need To Do -

If you are purchasing goods from a company you don’t know and trust, carry out some research first, or ask friends or family for advice before completing a purchase.

Professional-looking websites, adverts or social media posts do not guarantee that an investment opportunity or product is genuine. Criminals can exploit the names of well-known brands or individuals to make them appear legitimate.

Avoid paying for goods or services by bank transfer unless you know and trust the person or company. Payments via bank transfer offer you no protection if you become a victim of fraud. Instead, use your credit card or payment services such as PayPal as they offer you greater protection if you become a victim of fraud
