TINGEWICK WALKERS

The November walk took place at Woughton on the Green in Milton Keynes. This proved to be an easy stroll along well established paths, one of which bordered the towpath beside the Grand Union Canal and another which crossed a field containing the site of a medieval village. Despite the presence of the city all around this area, there was a definite rural feel with the village green bordered by thatched cottages and the paths winding through grassy expanses. The route took about an hour and a

half to complete and the distance covered was just over four miles. The pub visited on this trip was Ye Olde Swan, which sits among some very old houses in this part of the village. The service and food was excellent.

There will not be a December walk and the next one will take place on Tuesday, 28th January 2020. The walkers meet at 10am outside Tingewick Village Hall, in the car park. New walkers are welcome, do come along. For further information call Peter on 01280 848739 or Sara on 01280 847594.

“Quack, Quack!”

We hope you are all well. The weather has been cold, wet and windy and I think we are probably the only village residents who have enjoyed it!

Thank you for all the food, we are really grateful. A big thank you to Nick at ACME Pest Control and to Judy at Mole Valley for their support and contributions.

Our human feeders need to extend a request for donations from you please as they have used the final donations received. Please contact Pete and Nic Carling if you are able to spare anything for us - many thanks!

We are up to around 31 ducks now and you can either see us splashing around on the pond or in the adjacent fields where we can splash with the horses close by watching our antics.

Hope to see you soon and in the meantime, we would like to wish you all a very Happy Christmas and New Year.

Quack, Quack!”

Interesting New Year Facts

New Year celebrations are not new. The concept actually dates back to 2000 BC. The Mesopotamians used to celebrate New Year!

The month of January derives its name from a two-faced God named Janus. Janus' one face looked forward while the other looked backward.

People of Denmark practice throwing dishes at the doorsteps of other people. This is believed to bring many new friends to the person on whose doorsteps the dishes are thrown.

Until 2006, the Space Shuttle never flew on New Year's day or eve because its computers couldn't handle a year rollover.

"Hilarious Horoscopes"

Your 2020 Year Ahead By Septic Peg – your local village fortune teller

Aries – 21st March to 19th April

Aries, being a fire sign, is going to be a bit hot-headed this year. As a result, Septic Peg recommends staying away from wigs and hats of any kind.

Taurus – 20th April to 20th May

Ah, Taurus! Being the sign of the bull Septic Peg recommends you stay away from china shops or anywhere that has a "You break it, you bought it" sign on the door.

Gemini – 21st May to 20th June

Being a twin sign you Geminis think you can get away with a lot but you can't get away with murder! All fingerprints are unique so bear that in mind on Friday 13th of March (just don't quote me in your defence okay?)

Cancer – 21st June to 22nd July

Although crabby is your default mood, 2020 will see you mellow into mildly annoyed and then slightly miffed. Embrace these new moods as they will lead to wonderful opportunities in love, life and finance.

Leo – 23rd July to 22nd August

While Katy Perry may like to hear you "ROAR", your neighbours certainly don't. Keep your animal instincts under control this year to avoid issues with those around you.

Virgo – 23rd August to 22nd September

Okay Virgo, let's get this out in the open. You're Nitpickers. There, Septic Peg said what others couldn't! This year you need to put your nitpicking skills to use by calling out all scams you come across (excluding this article of course).

Libra – 23rd September to 22nd November

Libra, you might be represented by scales but you're not very balanced – try standing on one leg after two glasses of prosecco.... Go on! So, you may not be physically balanced but your inner balance will be awesome this year thanks to a chillout playlist on Spotify suggested by your next-door neighbours cousin's aunt's sister's barista.

Scorpio – 23rd October to 21st November

You might think that being a Scorpion you have a sting in your tail but Septic Peg knows you're all pussycats really! This year you need to temper your sting and purrfect (get it?!) your people skills.

Sagittarius – 22nd November to 21st December

Being the sign of the archer, you're known for your straight aim and true sight. That all goes out of the window however when you imbibe the peach schnapps drink "Archers". Stick with gin this year and you'll be fine.

Capricorn – 22nd December to 19th January

You're depicted as stubborn headed and difficult to please, and who is Septic Peg to argue? That being said, there are mountain goats that are so nimble they put gymnasts to shame and that could be you this year if you get into the right mindset.

Aquarius – 20th January to 18th February

Is it the Age Of Aquarius? It might be, I don't know as I can never get to the end of the song as I find it a bit annoying. How about we just assume that it is and that you're going to not spill any water this year, okay?

Pisces – 19th February to 20th March

Take you out of your usual environment and you'll flip-flop around like a fish out of water. This year you need to learn to be more stoic and in control like a can of Tuna (in brine, not oil because that's just icky).
